St. Sebastian Parish Foundation
SINCE 1971

Greetings,

I think of when I was a student with winter coming on. It was time to put on a winter coat. Stuffing my hands into my pocket to brace against the cold, I felt something that must have been there since the previous spring. What an awesome thing it was to discover that it was a twenty dollar bill, an extraordinary amount of money for a poor student. And how far it went to making life a little more pleasant.

When the Parish is facing a financial challenge, it is such a relief to have the Foundation watching out for us like a winter coat holding on to a helpful surprise to assist when it is most needed. Because of the Foundation, I am in the enviable position among my peers of not having to come to you to ask you for extra funding each and every time we have an expense come our way.

Your donation, large or small, makes the work of the Foundation possible. For those who have given in the past, I thank you for your thoughtfulness and generosity. If you have not ever given to the Foundation before and want to be a part of this great effort, consider investing in your Parish community. See in these pages the wonderful work we have been able to accomplish because of the pulled resources of your fellow parishioners, especially when your gift is unrestricted. Your assistance at any level is always appreciated and helpful.

In a couple of years, we will be celebrating our 90th anniversary as a Parish! Now is the time to invest in the Parish so that it will be strong for its last decade before it turns 100. That is the gift I hope to give to our next generation and hope that you will join me.

God bless you,

Rev. John A. Valencheck

2015

As you will see in this year's annual report, 2015 was an amazing year thanks to all of you who gave so generously to the St. Sebastian Parish Foundation. Together we were able to accomplish a number of significant projects that are highlighted throughout this report and were made possible with your generosity.

St. Sebastian Parish now has a brand new brick parking lot, refinished Zwislner Hall floors, a new door connecting Hamlin Library with the Technology Center, a remodeled Technology Center and more. These are just a few of the many ways your generous contributions have been invested to keep our School and Parish strong, and the shining jewel in West Akron. It is exciting to report that since the creation of our Foundation in 1971 through 2015, the Foundation's total contribution to the church and school is \$9,046,878!

Now we pivot to the future and focus on our upcoming 90th anniversary. Please be sure to read the article, 'Dreaming of our 90th Anniversary,' which will be here in four short years. The Foundation Trustees have been working on our strategic plan to prepare for the 90th anniversary and for the longer-term benefit of the Parish.

Our greatest need will be to increase our unrestricted funds in order to give greater amounts to the Parish and School in the years ahead. Our Parish is a beacon in the west Akron area and we must keep it strong and thriving for the future generations. Thank you for your selfless gifts and your willingness to help us plan for the future. *Your acts of kindness...inspire kindness.*

God bless you,

Patrick O'Neill

Dreaming of our 90th anniversary

St. Sebastian Parish has been a source of faith, pride and comfort to thousands since it was founded 86 years ago. Our community has prayed, loved, laughed, celebrated, sung, cried and mourned in our beautiful church since it was built in 1960. It is inspiring to think about the many masses, baptisms, first communions, confirmations, graduations, weddings, concerts, confessions, funerals and more that have taken place in our spiritual home.

We have been excellent caretakers of our home for 56 years by addressing the necessary repairs and upgrades as they come up. Because of this timely care, we have been blessed to be in the position to maintain our architectural integrity by REPAIRING versus REPLACING our historic and beautiful campus and facilities.

We now need to RESTORE our beautiful 56 year old home to her original luster by repairing and refinishing our pews and kneelers, adding book racks to the backs of the pews, and refinishing the terrazzo floor to its original shine. Also at this time, with help from a generous donor, we will be installing a hearing-aid compatible LOOP system to assist those with hearing impairments.

Fr. Valencheck recently said, "One dream to accomplish for the 90th is restoration work on the church building. Our top priority is the restoration of the pews. The kneelers are constantly breaking and the finish is in a terrible, unsanitary state, which is deteriorating at an accelerating rate." While the restoration listed above will take place, a few other behind the scenes repairs will happen. The mosaic at the altar and the ceiling will be repaired along with the sound system and lighting issues.

It is also Fr. Valencheck's hope that we will have enough funds to add doors that would open automatically for those in wheelchairs, and move the front steps of the church to create a larger entrance to the church. This will allow a gradual ramp to be installed all the way to the parking lot which would make the church more accessible without changing the architectural integrity of the building.

With your help, we can restore our church back to its original splendor. Our church is an incredible source of strength to you and our community. Please give or pledge a gift today to help us remain strong and restore our home for our 90th Anniversary.

If you have any interest in assisting with any of the restoration projects, please contact the foundation at 330.836.2233 or foundation@stsebastian.org.

A single act of kindness throws out roots in all directions, and the roots spring up and make new trees. The greatest work that kindness does to others is that it makes them kind themselves.
