Dear Parents,

This year, a group of five 6th graders designed good-looking, quality t-shirts that students can wear on all Fridays throughout the school year, except during Advent and Lent. Our t-shirts are meant to be comfortable with a nice design, and if you buy they will hopefully give the students more of an urge to finish the school week on a good note! We worked hard and hand drew our design, and Mr. Bryson, the owner of By Design Sportswear, designed our final copy (which you see pictured above). If you like them, we'd be more than happy to sell you them! Every year 6th grade designs the t-shirts, and they always get to choose a non-profit organization to donate some of the money they earn. This year, we chose **Project Outrun**. Project outrun is a charity that cares for kids with cancer, and they let them make their own shoes to help them "Outrun cancer." The price of each shirt is listed below, and a portion of every purchase price will benefit Project Outrun!

**Orders are due by Tuesday, November 20th.**
